

## CHAPTER (PRECEPT) ASSESSMENT (FOR USE BY TEACHER)

**Name:** \_\_\_\_\_

**School/Organization:** \_\_\_\_\_

**Age:** \_\_\_\_\_

**Grade/Group:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Chapter (Precept) Taught:** \_\_\_\_\_

(Forms for each chapter [precept] are available for download from  
[www.thewaytohappiness.org/programs/education/forms](http://www.thewaytohappiness.org/programs/education/forms).)

Keep a record of the information for each of the 21 chapters (precepts) taught, the feedback and results using the categories below. This will give you, at a glance, an assessment of improvements related to the use of each section of *The Way to Happiness* program.

Gather and record the information throughout the time you are teaching (i.e., if you do one Lesson Plan over a week, you would assess before and after that week).

Note any change in the following categories after teaching the precept:

1. Disciplinary actions—note any change or lessening of disciplinary actions since the precept was taught:

---

---

---

---

2. Attitudes and behavior—did student attitudes change during the lesson or as a result of the lesson?

---

---

---

---

3. Class participation—did class participation change or improve during the lesson or as a result of the lesson?

---

---

---

---

---

4. Helpful conduct from students toward another or others—note any change or improvement of students originating helpful actions or activities as a result of the lesson.

---

---

---

---

---

5. Relationships—note any improved relationships in the classroom or feedback from students regarding changed relationships at home.

---

---

---

---

---

6. Academic performance—note any academic changes or improvements after the lessons taught.
