

Seminar Leader Feedback Report

CCHR wants to ensure that you experienced excellent results from this seminar and *The Marketing of Madness—Are We All Insane?* documentary. We would like to get your feedback, ideas and recommendations. Please take a few minutes to answer the following questions. Use additional paper if needed.

1. What was the general response of your attendees/students to the seminar and documentary?

2. What aspects of the seminar did they think were most worthwhile?

3. What aspects of the seminar, if any, interested them least?

THE MARKETING OF MADNESS EDUCATOR'S GUIDE

4. Did they ask any questions that you felt you could not adequately answer? If so, please give us the specifics.

5. How many out of your attendees/students decided to get active in this issue, using the “Actions to Take” or other originated ideas? Please give details on the types of activities that most interested them.

6. Are there any other materials or documents that would be useful in better educating others about the dangers of psychotropic drugs and the lack of science behind psychiatric diagnoses?

7. Do you have any other information or recommendations for us that would further educate others about the issues raised in *The Marketing of Madness—Are We All Insane?*

8. Is there anything else you would like to communicate?
